## Chapter 1 by Glitch

### Chapter One: Walls

The walls came to life with figures that were nothing but shadow. or so i want to think. A arm grabbed me and yanks my back. Another arm peels off the wall and grabs my leg. I can't move. I yell out though I know no one is there. An arm covers my mouth before i can scream again. Why? It tugs at the corner of my thoughts.

Before i could think i feel a hand on my forehead not like the others this one was warm. This one was human. I hear a voice, sweet and soft. " my lady please help." more voices follow that one.

"my lady."

"please!!"

"It burns"

They continue to get louder. Louder and louder until they are the only thing i can hear. The cries and shouts go from pleading to anger.

"Why!"

"You MONSTER!"

"It's your fault!"

The hands drag me into the black wall that feels like thorns. Thousands of tiny thorns crawling over my back. I want to scream or cry but i can't. Pain from the voices. Pain from the thorns. All the pain is on me. A burden i must carry no one else.
